## Signature Senior Living

*Our Signature is our Promise*

## Our Mission

We are dedicated to the highest quality of service delivery to our residents with a sense of warmth, compassion, individual pride and company spirit.

The Community's Employee Partners are dedicated to excellence and take opportunities to enrich the quality of life of our residents in assisted living and memory care services.

Many of our life enrichment activities are integrated with the local community to continually provide our residents a strong connection with their community as well as a sense of purpose and accomplishment.

At our Community, we are dedicated to servicing seniors and believe life is all about choices.

We offer residents choices by working with each resident, their loved ones and medical providers to design a personalized plan of care to meet each resident's wants and needs.

You can choose from various spacious floor plans to include suites, one bedroom and two bedroom apartments. We also offer selections with courtyard individual patios. All of the common areas are available to you, your loved ones and friends in your home at any time.

Pets are welcome in our community. Also, we provide many concierge services for you to choose.
