ALFA 2009 HERO NOMINATION
CLINT BASHAM

The Employee that I find to be exemplary here at Stonebrook is Clint Basham our Maintenance Director , Not only does Clint work to keep our building well run and safe . He is amazing with our residents and their families.

There have been many, many occasions where Clint has gone above and beyond his Job description to provide quality care to a resident or resident family member. He is always there to share a smile or lend a hand when needed.

There have been several times that Clint has been there to hold the hand of a resident that has fallen while waiting on help to arrive . Clint is touched by the residents in this building as they are touched by his gentle manner and kind words.

Clint is always there to lend an ear to the employees who work here at Stonebrook. He will Listen and offer sound advice to them and help them to solve problems.

He has proven to be not only a superior Maintenance man but also a valuable manager with exceptional management skills. He always focuses on the positive qualities that an employee has while coaxing them to make improvements on their weaker skills.

He will chauffeur stranded employees to and from work when the weather is bad or if they have car trouble and has quite a few times been there for a family member to change a tire or jump start a car.

He spends time in his busy day to stop and visit with a resident, making them laugh and being there for them through-out the day.

In my opinion, Clint is an extremely valuable part of the Stonebrook team who makes Stonebrook a great place to work.
